

**A COMPANY THAT GIVES 110%
DESERVES SPECIAL RECOGNITION!**

LIVE UNITED

DOES YOUR UNITED WAY CAMPAIGN GO THE EXTRA MILE?

WE WANT TO RECOGNIZE YOU! Commit to increasing your overall workplace campaign by 10 percent or more this year and your company will receive special recognition in a thank you ad in the Pensacola News Journal. The ad will feature your logo along with the logos of other companies that have reached the 110% goal.

To qualify for this special recognition, you must notify your United Way campaign team. Your 2018-19 United Way company campaign results (including combination of corporate gift, employee giving and special events) must increase by 10 or more percent over your 2017-18 United Way campaign results. Campaign results must be received by March 1, 2019.

YOUR COMPANY WILL ALSO RECEIVE:

Recognition at our annual Campaign Kickoff, and additional online acknowledgment of your support through website, e-newsletters, social media, and more.

Giving through United Way is the best way to invest in your community, and running a strong campaign helps make Escambia County a better place to live and work!
