

Early Learning Coalition of Escambia County

United Way Funded Program:
School Readiness

Funding Amount: \$210,000
3-year grant

Description of Program Services: School Readiness helps families initially below the federal poverty level pay for child care. This enables parents to obtain and/or maintain employment while their child is receiving high quality early learning.

Impact Area: Education

Significant Statistics: Without assistance, a family with two young children earning \$19,891 a year will spend about 50% of their income on child care.
