

YMCA of Northwest Florida

United Way Funded Program:
Child Care

Funding Amount: \$46,446
3-year grant

Description of Program Services: The YMCA provides quality out of school programs that promote academic achievement and provide opportunity for all. These programs help develop the child into a responsible adult.

Impact Area: Education

Significant Statistics: In Escambia County, both parents work outside of the home in 60% of households with children. The YMCA of Northwest Florida Childcare Program helps prepare children for success in later grades through academic enrichment activities to help close the achievement gap and support school success.
