

## YMCA of Northwest Florida

**United Way Funded Program:**  
Youth Development

**Funding Amount:** \$24,300  
3-year grant

**Description of Program Services:** The Y will promote health and combat obesity by providing youth day camps, recreational sports, swim lessons and aquatics.

**Impact Area:** Health

**Significant Statistics:** The current generation is the first in modern times expected to have a shorter lifespan than that of their parents. According to the 2012-13 Escambia School District Health Report Card, 16% of students are overweight. The YMCA Youth Development Program offers a healthy alternative to inactive lifestyles and positively impacts the physical, mental and emotional well-being of children through structured physical activity and wellness education.
